Can I share with Clay Anthony's comp situation. I think it is important, along with the performance challenges.

Chris

Hi Chris,

I spoke with Anthony last night. It sounds like he is ready to move on from Chauffeur to work on VR / robot stuff. To his credit, he also let me know that the situation is not exactly straightforward, and that you were considering putting him on a performance plan.

Can you give me a bit of color for why? Should I be concerned?

Happy to talk by phone if that is easiest. Text me any time you are free and I will step out of what I'm doing.

[REDACTED - PRIVACY]

Thanks.

Clay
